I am truly honoured to get connected with you all through this medium of our's in-house journal, "Nav Urja". I have been connected and greatly linked to the Adhunik Group ever since I joined in the year 2009, and have seen and participated in the entire growth story of this company since then.

This is a very young, bubbly and energetic team of workmen, supervisors, experts and professionals which, under the able guidance of the leaders, have

done exceptional works in the past. You are a closely knit family working towards ONE Goal and that is "SYNERGY AT ALL LEVELS". In the recent past the plant achieved the best ever PLF and what else could be a testament of the dedication of the team that we have??

We, as professionals, shall impart the necessary personal touch to ensure that success is achieved at every step.

We expect all of our employees to remain focused and continue striving towards our goals. The Executive Leadership Team is here to provide support and guidance. As we look ahead, it's important to stay diligent and committed to our objectives. Let's keep working together towards success!

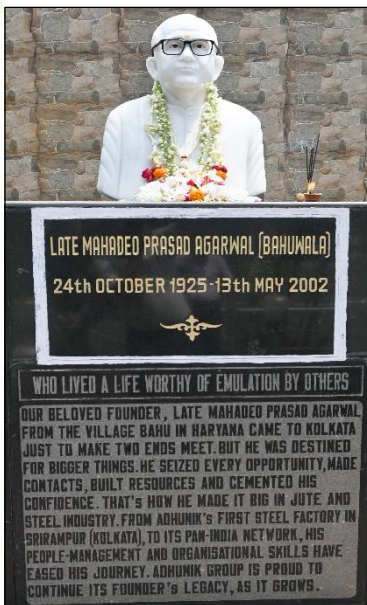

Thanking you!
