## Head-AHP Speak

Over the past 11 great years, since I have joined company I found our company, APNRL, has always been able to thrive with business integrity and ethical practices, despite numerous challenges and hardships that came our way.

I must thank 'Nav Urja' team for giving me opportunity to express my views and opinions from this platform. Since I have joined the company I have closely watched and observed that, habit of working together in a planned way following up with all ethics made this company successful.

Being a Head of Ash Handling Plant, most of the time we encounter with many difficulties and hurdles but our team's efforts to solving the

problems within the time shows the keen zeal of hard work at our department.

The valued team here at APNRL have set an example of "Doing the right things the right way" which proved a result ordained here.

Despite of several ups & downs in years' company is still stable and working fine because will to work and true inspirational guidance of superiors & management guided employees to work in team on a right direction.

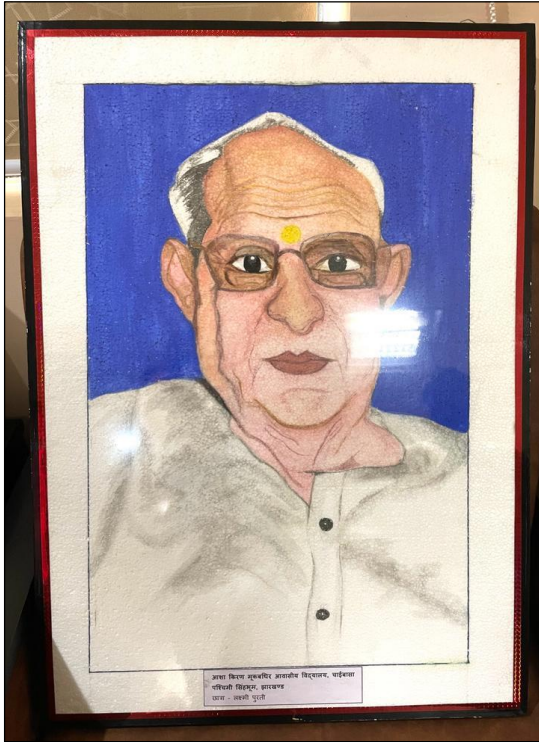

Our working environment is excellent here, employees understand the value of time management, value of ethics and respecting the job assigned to them.

In the power generation sector, APNRL will continue to grow as a trusted and admired company, we should hold onto these basic principles within the ethics management.

*Thank you & all the very best!*

# Special art by a special child

A special child from remote area of Chaibasa named Lakshmi Purti had drew a special art of APNRL founder Late Mahadeo Prasad Agarwal for paying homage on his death anniversary.

A student of Asha Kiran Mukk Badhir School, Chaibasa Lakshmi Purti (deaf & dumb) is just 12 years old and she has a special ability of making drawing and posters by using water colours. Lakshmi said she took about 6-hours for making this piece.

Later on she has handed over the poster to employee Mr. Ravi Sharma which is subsequently reached to Mr. Arun Kumar Mishra-CEO, APNRL.

The poster eventually has been installed at the office of Director. APNRL extends best wishes to little child Lakshmi Purti for her future endeavors.

# Tobacco made to kill, stay away from it

To make people aware towards the use of tobacco and its products, the Adhunik Power & Natural Resources Limited has launched anti-tobacco signature campaign to commemorate World No Tobacco Day at Plant premises. Officials and employees initiated the campaign by taking the pledge not to use tobacco in any form.

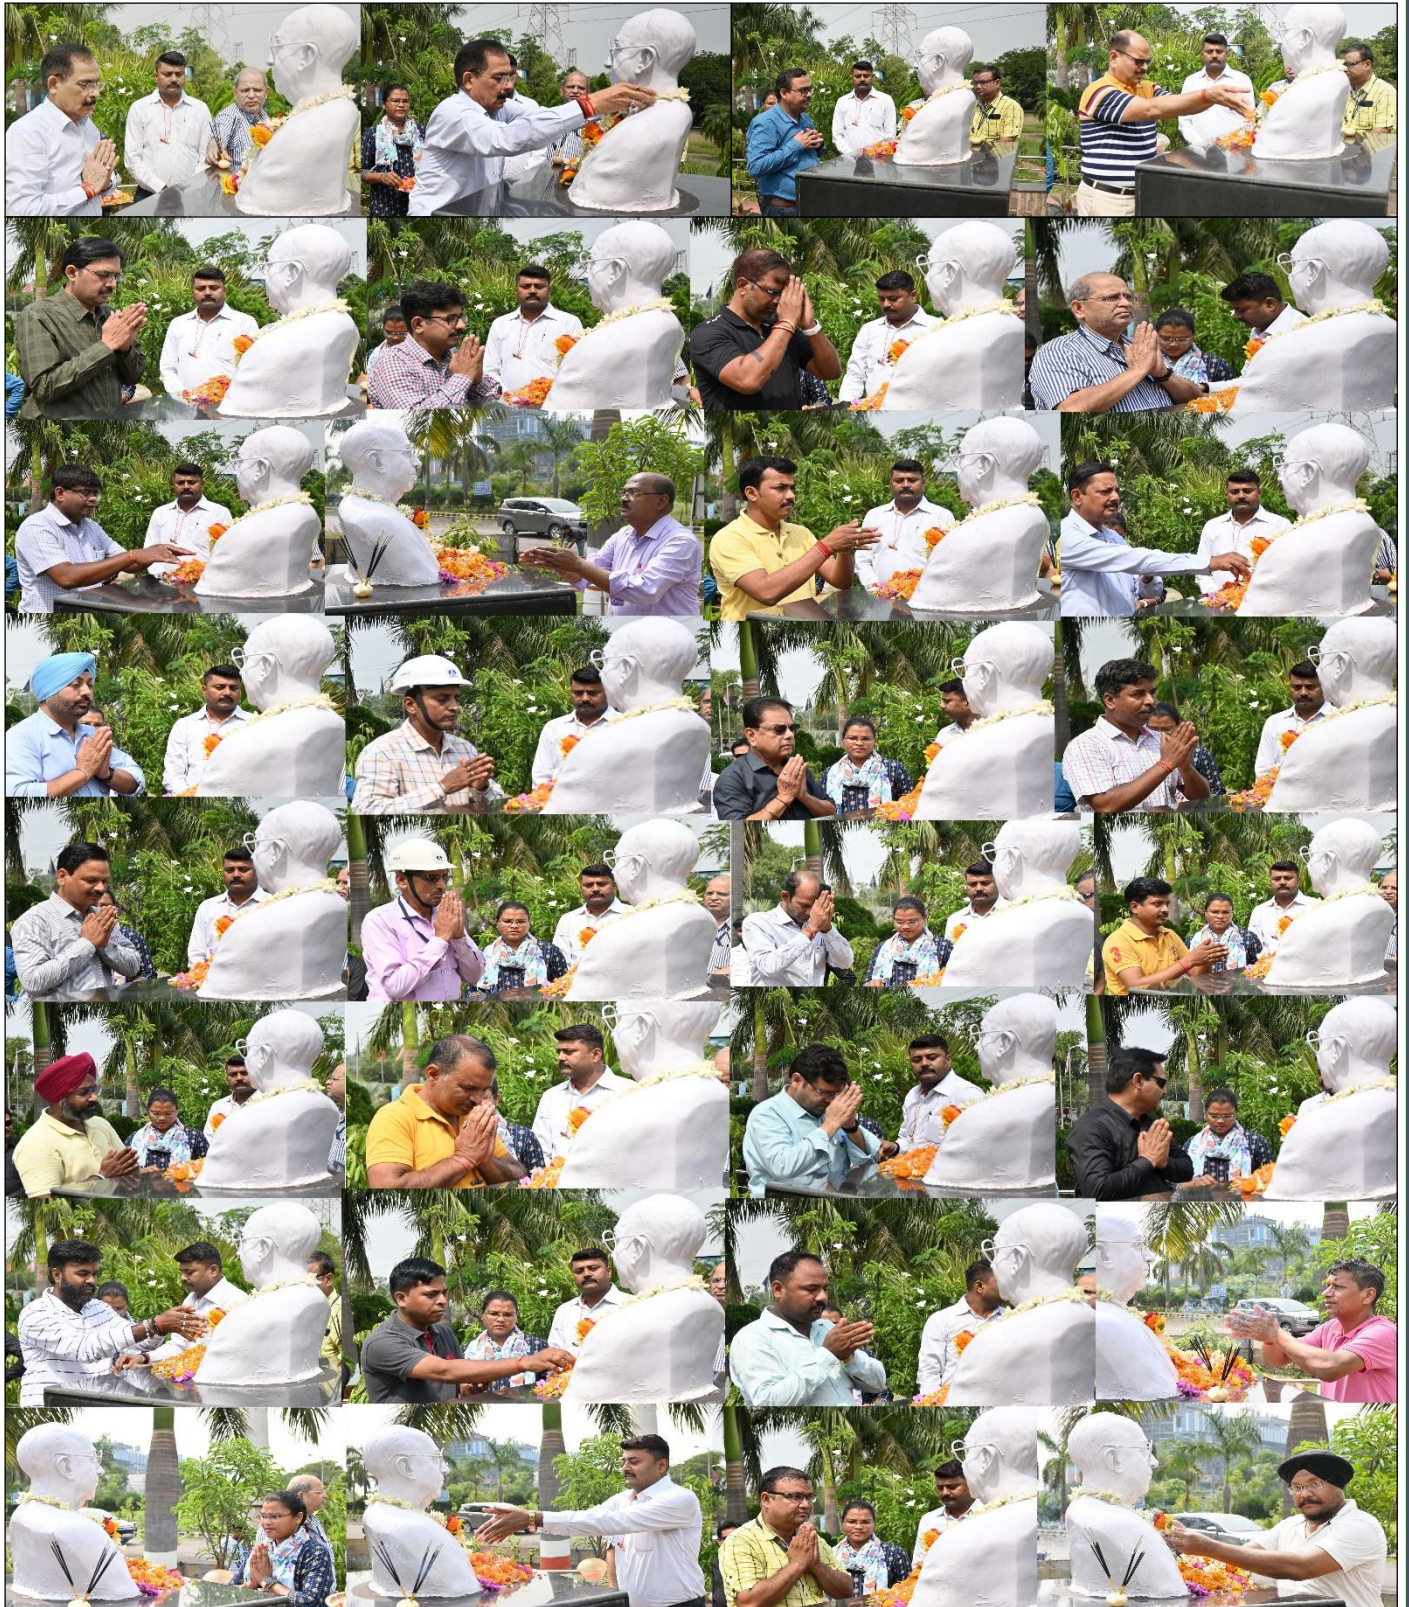

Speaking on the occasion, Mr. Arun Kumar Mishra-CEO said that smoking is hateful to the nose, harmful to the brain and dangerous to the lungs and this was an effort to make people aware about the hazards of tobacco.

Dr. G P Murmu and Mr. Sanjeet Sinha informed that according to the World Health Organisation (WHO) report, 40 per cent of cancer cases registered were due to use of tobacco, while the percentage was much higher in case of mouth cancer as 90 percent cases of mouth cancer was due to chewing tobacco.
