Under the philanthropic activities CSR department had held health check-up camp for the schooling going kids. Altogether 100 students have been gone under health checkup organized at the Utkramit Middle School, Padampur. As checking up of blood groups was also executed there.

Don't delay, save Earth today

Rightly said; "Don't delay, save the earth today." In terms of Earth and environmental protection, it is getting delay now. Hence, keeping in view Earth care in mind, APNRL has organized World Earth Day at UM-School, Badahariharpur. A drawing and essay completion was organized to raise awareness about environment protection. All teachers were actively involved in the program and students participated in drawing and essay competitions. The day began

with assembly where teachers taught about the importance of protecting our planet. Then, students participated in various activities like drawing, speech, essay etc. The main objective of organizing such activities is to motivate, encourage and engage the youth for sustainable development. A small action today can definitely lead to big results tomorrow. The members of the jury selected the first, second and third places and awarded them.

Renovation of village school

To create healthy and positive environment for the students, APNRL CSR department has arranged whitewash of school walls and repairing work at the Badahariharpur Government school. The Principal of the schools has extended request our management for some civil work support as they are setting up smart classes for the students. Our company took initiative and arranged whitewash and other repairing work of the school premises.
