

CLEAN AIR FOR BLUE SKIES

Report on Page-2

CSR is not only just a social activity to serve to the society and underprivileged people rather above all this is a deep connection and emotional feeling to keep get connected with the people who deserves the best atmosphere.

Our company APNRL understand the values of philanthropic work and does is with all accountabilities. I feel privileged by connecting APNRL family through 'Nav Urja.' In terms of our social responsibility APNRL has adopted panchayat villages to take care of the locals suffering from deadly tuberculosis (TB) diseases. Company is providing them nutritious foods, medicines and counselling session for fighting this curse. However, I am part of this company since past 10 years and since then proudly keeping responsibility of CSR on

my shoulders, it gives me pleasure while doing such CSR activities in company's behalf. Our company have severally felicitated many times by the government agencies which boosts our morale to do something more better.

Working under the valuable guidance of competent authority and maestros of the field gives different positive energy to march ahead. CSR is the commitment of companies and corporations to causes they deem important to their values. I must say, CSR isn't a particular programme, it's what we do every day, maximising positive impact and minimising negative impact.

Thanking you!

“Together for clean air”

Our company Adhunik Power & Natural Resources Limited marked the 4th International Day of Clean Air for Blue Skies with an enthusiastic celebration in association with students from government schools. This year's theme, 'Together for Clean Air,' was embraced with full zeal at the Uttamrit Middle School, Padampur campus. In a bid to raise awareness about the importance of clean air and environmental conservation, the event featured an informative meeting, an envi-

ronment- themed quiz program, and a spirited foot rally organized by the students. The highlight of the event was the presence of the company's CEO, Mr. Arun Kumar Mishra, who not only participated actively but also planted saplings with the young learners. During his address, Mr. Mishra encouraged the students to make a resolute commitment to maintaining a green earth by planting and nurturing saplings until they grow into sturdy trees. Mr. Kamlesh Kumar Jha from environ-

department, shared his insights with the students, emphasizing the global significance of this special day. Mr. Kamlesh emphasized that the air we all breathe is a shared resource, and it is the collective responsibility of everyone to safeguard the environment. School Principal Ms. Joba Mandal also spoke passionately about the need for decisive actions to protect the environment, instilling a sense of duty among the students.
