

VP Desk

It gives me immense pleasure to connect with you all through "Nav Urja". I congratulate each member of Adhunik Power family for their heartfelt contribution and dedication shown while achieving the new milestone for the Company. Recently we have a couple of occasions to celebrate the triumph of teamwork. I am happy to learn that Company has achieved the highest ever PLF mark in the history of APNRL while simultaneously APNRL adjudged runner-up and received a coveted award in energy efficiency in the recent rating. These are certainly proud moments for each individual associated with the company. However, the company has also encountered many challenges in the industry during the peak time of the season. Whatever the challenges may be, whether it is a downturn in the market or a balance between demand and supply network, the company took up and cope up with every challenge with accurate strategy and a dedicated & determined spirit which shows that we work here as a team, as a family.

I must very much appreciate your continued patience, grace, dedication, and flexibility as we forge the road ahead together.

We rededicate ourselves to being the management of the business and always keeping your interests in mind and doing our best to meet and exceed the trust and confidence you have put in us.

Thank you & all the very best!

ISO 50001:2018 Energy Management System

Energy management is now in the global spotlight, due to the pressing need to save energy and reduce greenhouse gas emissions worldwide. Energy –saving technologies and facilities are only part of the methodologies for improving energy efficiency.

The Energy Management system implemented at Adhunik Power & Natural Resources Ltd (APNRL) has demonstrated that it is largely designed to support the strategic direction and to deliver the intended result of improved energy performance.

The improved energy performance is achieved through the set objectives. The energy management team is competent and aware of the requirements and the implications of deviations from the goals.

The core energy management team comprised of Mr. Ajay Bangde (Management Representative), Mr. Krishna Raj Shail (Deputy Management Representative), Mr. Manowar Rabbi (MMD), Mr. Sagar Shrivastava (C&I), Mrs. Esha Choudhury (IT), Mr. Rajeshwar Singh (AHP), Mr. Alok Thakur (CHP) and Mr. Tarun Kumar (Operations). The team was ably supported by HOD – Operations Mr. Amal Baidya, HOD – CHP Mr. Amit Singh, HOD- AHP Maintenance- Mr. Prakash Dhar, HOD- WTP – Mr. Manoj Achari. Head O&M Mr. Mukti Nath Singh reviewed the documents before presenting it to the auditing agency M/s. BSI.

Still there are many more opportunities for strengthening the system to better the results.
