### NOTICE – WITHDRAWAL OF TENDER PROCESS

**Ref. No.: Tender Reference No: 01/APNRL/22-23 Dated 07 September 2022**

**Subject: Withdrawal of Tender for design, engineering, manufacture, assembly, testing at works, supply, civil, structural and architectural works, erection, testing & commissioning of retrofitting emission control system (FGD system) at 2x270 mw units (phase-I) Padampur, Jharkhand**

This is to inform all concerned that the tender process initiated under Tender Reference No. 01/APNRL/22-23 Dated 07 September 2022 for design, engineering, manufacture, assembly, testing at works, supply, civil, structural and architectural works, erection, testing & commissioning of retrofitting emission control system (FGD system) at 2x270 mw units (phase-I) Padampur, Jharkhand has been withdrawn/cancelled with immediate effect.

The decision has been taken in view of the revision in the MoEF Notification dated 11th July 2025, wherein it has been clearly stated that the Sulphur Dioxide (SO<sub>2</sub>) emission standards shall not be applicable to Category 'C' Thermal Power Plants. Adhunik Power & Natural Resources Ltd. falls under the said Category 'C' TPP classification, and therefore, the tender is no longer required under the revised regulatory framework.

Accordingly, no further evaluation or action will be carried out under the said tender. In case of any future re-tendering or revised process, a fresh notification will be issued separately.

We appreciate your interest and understanding.
